Bardex, Goa,

Plaintiff represented by Advocate Shri R. Bodke.

## JUDGMENT

2 This is a suit for annulment of marriage on the ground of consent obtained by coercion, filed by the plaintiff against the defendant on the following grounds:

The plaintiff got married to the defendant on 20th March, 1978 in the office of the Civil Registrar, Mapusa. The plaintiff's consent was given under coercion from her mother who personally was present in the office. The mother stated that she will commit suicide in case the plaintiff does not agree to her request. The plaintiff after having fixed the marriage refused to oblige the mother and the religious ceremony was not taken up. So, the marriage was also not consummated as the plaintiff and the defendant have not lived together. There is no collusion or connivance between the two.

2. The defendant was duly served and he filed his application exhibit no. 3 stating that he is not interested in filing his written statement and, therefore, date was fixed for ex-parte trial.

3. The plaintiff was examined and she confirmed that she agreed to the marriage as her mother threatened that she will commit suicide and therefore she was coerced to give the consent.

4. In view of this the following order is passed:

## ORDER

The suit is decreed. The marriage between the plaintiff and the defendant is annulled under section 80 r/w 21 of the Law No. 1 dated 25th December, 1910. Necessary communication may be made to the Civil Registrar, Mapusa to this effect.
